RE: Agenda Submission / Information Memo

---

The attached BOCC agenda item is to replace the Cudjoe Key Sheriff's Substation emergency generator which was approved by the BOCC as part of the 2005-2006 budget process.

After requesting and receiving BOCC approval to go out for bids, they were opened 8/15/06.

After reviewing the low bid from Kelly Tractor Company, it was determined their bid does not meet the County's minimum specification in areas of generator output and housing rust/corrosion resistance.

After reviewing all other bids and direct communications with the second lowest bidder Millenium Products, Inc., it was determined their bid meets or exceeds all requirements.

The Fleet Management Department's recommendation is for the County to provide a purchase order from the Corrections Department account number 304-26000-560620-CP0602-560620 in the total amount of \$25,995.00.

Thank you.
